To Whom It May Concern:

I have received no financial support from 'interested' parties for the research paper titled "Bringing Satellite Data Down to Earth". The data for the current project came from Aaron van Donkelaar and Qian Di. No other party had the right to review the paper prior to its circulation. As part of a diversified portfolio, I hold more than \$10,000 in stock of various public companies whose financial interests may be impacted by the air quality regulations like the one studied in this paper. I also serve

Also, per our data sharing agreement, we are not able to provide the satellite-based air pollution concentration data supplied by Di et al. and Van Donkelaar et al. Interested parties should contact these researchers directly to request access.

Sincerely,

A handwritten signature in cursive script that reads "Meredith Fowlie".
