

Disclosure Statement for “The Long-Run Effects of Recessions on Education and Income”  
September 18, 2020

I declare that I have no relevant or material financial interests that relate to the research described in this paper.

This research was supported in part by the Michigan Institute for Teaching and Research in Economics, plus an NICHD training grant (T32 HD007339) and an NICHD center grant (R24 HD041028) to the Population Studies Center at the University of Michigan. Any opinions and conclusions expressed herein are those of the author and do not necessarily represent the views of the U.S. Census Bureau. All results have been reviewed to ensure that no confidential information is disclosed. IRB approval was not needed for this project, because it consisted only of the analysis of existing, non-identifiable data.
