To Whom It May Concern,

Re: Disclosure Statement

We wish to confirm that there are no known conflicts of interest associated with the manuscript titled “The Doors of Perception: Theory and Evidence of Frame-Dependent Rationalizability”. In particular, there has been no significant financial support for this work that could have influenced its outcome.

Also, we wish to confirm that we obtained IRB approval from the University of California, Santa Barbara, where the experimental study was conducted (IRB approval no. 3-19-0402).

Yours sincerely,

Alessandro Sontuoso
