

Disclosure statement for "Idiosyncratic Income Risk and Aggregate Fluctuations"

I acknowledge financial support from the European Research Council under the European Union's Horizon 2020 research and innovation program (ERC Advanced Grant 882332–HEMPEF), from the Spanish Ministry of Economy and Competitiveness, through the Severo Ochoa Programme for Centres of Excellence in R&D (CEX2019–000915–S), and from the Generalitat de Catalunya, through CERCA and SGR Programme (2017–SGR-1393).

Over the past three years I have been an academic consultant to the Banque de France and the Sveriges Riksbank and a member of the Scientific Council of the Deutsche Bundesbank. To my knowledge none of those institutions has a "financial, ideological, or political stake related to the article". No party had the right to review the article prior to its circulation.

No IRB approval has been requested since the research reported in the paper has not involved any human subjects
