

AEA Papers and Proceedings Disclosure Statement for Extending “GPTs are GPTs” to Firms

Sam Manning

- Within the last three years (though not within the last year), an organization that I worked for received payments from an AI development company for my consulting services. I am no longer employed by this organization.
- My spouse has worked for an AI development company within the last three years.
- I hold stock in individual AI, semiconductor, and cloud computing companies.
- I am currently employed by an independent non-profit research organization that focuses on AI governance and policy.
- I did not receive any financial support to work on this article.
- The paper will undergo internal review at OpenAI prior to publication.
