Paper: Down to the Wire: Leveraging Technology to Improve Electric Utility Cost Recovery

This is to disclose that I have no conflict with respect to material or financial gain from this project.

In addition, the project was funded with grant money from UK Aid from the UK government under the Applied Research Programme on Energy and Economic Growth (EEG), managed by Oxford Policy Management.

It also has IRB approval from my institute, Sewanee: the University of the South (Project id: 1927943-1), where IRB supervision was ceded to the IRB at Duke University.

Best,

Husnain Fateh Ahmad
