Disclosure statement
"The Impact of AIDS Treatment on Savings and Human Capital Investment in Malawi"

As stated in the introductory footnote: I, Victoria Baranov, received support from the Beinecke Scholarship and the National Science Foundation GRFP, which provided indirect funding for this research. The data collection of the MLSFH has been approved by the IRB at the University of Pennsylvania and the National Health and Science Research Committee (NHSRC) in Malawi. We acknowledge the generous support for this research through National Institute of Child Health and Development (grant numbers R03HD058976, R21HD050652, R21HD071471, R21AG053763, R01HD044228, R01HD053781), the National Institute on Aging (grant number P30 AG12836), the Boettner Center for Pensions and Retirement Security at the University of Pennsylvania, and the National Institute of Child Health and Development Population Research Infrastructure Program (grant number R24 HD-044964), all at the University of Pennsylvania.

Except for the research funding specified on the title page (quoted above), I have not received significant financial support from other "interested parties" as defined by the *AEJ* Disclosure Policy. I also have no other disclosures according to this policy.
