

BROWN

ANNA AIZER
Department of Economics

August 15, 2016

Esther Duflo
AEJ-Applied

Dear Editor Duflo:

I declare that I have no relevant or material financial interests that relate to the research described in this paper.

Sincerely,

A handwritten signature in cursive script, appearing to read "Anna Aizer".

Anna Aizer
Professor of Economics

August 11, 2016

To Whom it May Concern,

This letter certifies that I have declared all sources of research support in the paper and I have no conflicts of interest related to the subject of the paper.

Sincerely,

A handwritten signature in blue ink that reads "Janet Currie". The signature is written in a cursive style with a large, looped initial 'J'.

Janet Currie
Henry Putnam Professor of Economics and Policy Affairs
Chair, Department of Economics
Director, Center for Health and Wellbeing
